Commodore's Comments

The San Diego Yacht Club hosted the "Spring 4/4" competition of the 2024 season. It couldn't have been a nicer event. We had 5 competitors participating. The weather conditions were perfect.

The racecourse designed by Bob Ehlers turned out to be a bit tricky; spotting the various Mile Markers turned out to be a headache. Especially the Eastern Mile markers which were blocked by a Coast Guard Cutter. My crew thought doing a 360-degree doughnut in the middle of the racecourse was a fun addition.

As for the Mile Markers, Jeff Calabrese has been working with various authorities to get the Mile Markers painted. According to Bob Ehlers, it will happen. A great thank you to Jeff for his effort.

Congratulations to Garry Adalian for a stellar race and first place. Garry had a very impressive score of 1.6692% error. Also, congratulations to Paul Vance on Shorty who came in third with an error of 2.3744%. Just for the record, I (Magnus) came in 2nd with a 2.3604% error.

A great thank you to San Diego Yacht Club for a terrific venue and luncheon. I personally love those hot dogs and all the condiments. That view from the upper deck was (and is) fantastic.

The next race, "Harbor ¼" will be hosted by Garry Adalian and Coronado Cays Yacht Club. According to Garry, currents should be favorable. It's time for all of us to step up and give Gary some competition. He has won enough ③.

Best Regards, Magnus Karlsson - Commodore

Vice Commodore's Comments

Friday was a day of on again, off again torrential rain, dampening our spirits for the next day and the Spring 4/4 contest. Fortunately, the day turned out to be a winner, dry, warm, with little wind. I for one, will be glad to see these King tides subside and we can get back to normal currents. Garry Adalian has assured us his rally will take place with moderate currents and a friendly course. See you there.
